## December 2019

### Holiday Tour of Homes Saturday, December 14<sup>th</sup>, from 11am to 4pm

This year tour tickets will be sold at the Clubhouse from 10am – 1pm. At that time, you will be given a name tag, a map and list of the homes on the tour. There are 6 beautiful homes on the tour this year. You can also get your raffle tickets and see the raffle prizes at the Clubhouse. Winners will be called on Sunday to pick up their raffle item by noon. Other arrangements will be made if you can't do a noon pickup.

The next American Red Cross blood drive will be held on December 14 from 10 am to 2 pm at the Emanuel Lutheran Church 29439 Hide-A-Way Hills Road instead of the Great Room in HAH. A big thank you to Emanuel for letting us use the church! Please continue to support HAH blood drives!

fire, and we have had significant staff turnover for a variety of reasons. In addition, we face an ever-challenging hiring environment due, in part, to the low unemployment rate and large demand for similar positions in the region. For example, a quick glance at [www.glassdoor.com](http://www.glassdoor.com) suggests that within a 25-mile radius of Lancaster, 48 positions including the word “cook” in the title were advertised in the past two weeks; 37 positions including “food server” in the title were listed. It’s a constant challenge to recruit qualified and capable new staff.

### President’s Report

One of the more frustrating and puzzling challenges the Club’s volunteer leaders on the Management Committee and the Board face is the operation of our Food Services at the Lodge and the Clubhouse. We know that each of these amenities is important to you based on the recent member survey; the Lodge was ranked as the most important Club amenity only behind the Lake of the Four Seasons, and the Clubhouse ranked closely behind that. These facilities provide an important function to the community well beyond dining and drinking; they are a place for members to meet and enjoy fellowship with others. In many ways, they are the “downtown” or town center of our community.

In the ten years that I have been involved in HAH leadership, I can honestly say that we have worked nearly non-stop to improve our food operations. A few years ago, we barely survived a major

Despite this, we have continued to pursue the goal of providing a quality dining experience. If you’ve listened to any of our budget discussions, you already know that the Lodge and Clubhouse food services each require a significant subsidy from the Club to operate. However, to put that in the right context, we need to remember that all of our amenities are subsidized to some extent or another; we would not have many of those amenities without the general Club operating support provided through dollars, supplies, maintenance, security, and administrative support.

In addition, club food services are generally challenging to operate. We are not alone in this regard. Other than a few snack bars, we are the only Ohio Lake Community trying to operate a club restaurant. Others that have existed have been closed due to the

### Employee Christmas Fund

If you would like to contribute to the Employee Christmas Fund, please send a separate check to the office no later than, Tuesday, December 10, 2019, and mark it “Employee Christmas Fund”.

A Christmas Banner with your name will be displayed in the dining room at the Lodge, unless you specifically ask to remain anonymous. Remember, every donation makes a difference, regardless of size. Everyone giving is what makes HAH special.

financial strains leaving empty lodges and other facilities standing dark. I think we must remain committed to finding a solution to prevent such an event and I know a majority of the Board supports this position.

However, we have the good fortune of having numerous HAH member-volunteers who have worked in the food industry and who are willing to share their knowledge and expertise with us. Many of these individuals have served or are serving now on an advisory committee and share their expert advice and best guidance for improving our operations. This group is actively involved today and I am grateful for their efforts and time.

Please know that we are hearing your complaints and are discussing ways to address those concerns. And, if you haven't al-

ready reached out to us with a concern, please feel to send those in to the Club Office

([HAHoffice@hahclub.net](mailto:HAHoffice@hahclub.net)) who will ensure we receive them. We will make every effort to keep you informed of our progress.

On a more positive note, I am really pleased that an active schedule of events is being planned for the upcoming months. Please watch for e-blasts and check the Lodge & Neighbors of Hide-A-Way Hills Facebook pages to see the fun things planned. The Lodge staff will also work with you to plan a special family event.

I hope that you will be able to participate in some of these events or that you will just meet up with a few friends for an impromptu gathering. I hope to see you at the Lodge or Clubhouse!

Jim Krygier, President

## Short Term Rentals

Short term rentals, which would include renting your HAH home through Airbnb are prohibited by our Code of Regulations.

# NEWS FROM THE RANGE

## December 2019

Thanks to everyone who showed up for the Veteran's Appreciation Shoot on November 10; it shows the wonderful place we call home. While it was not a big money draw, we did pull in 75 plus people and we were busy the whole four hours. Between the auction and food donations, we collected over \$400.00. This will be an annual event along with the trap shoots.

We also purchased and hung new military branch flags to spruce up the place. If you want to see news and info about the Range, we have a Facebook page *HAH Range committee*. Check us out!

**Hours of operation are from 9am to sunset on Saturdays and 12pm to sunset on Sundays. We do ask that you give the Range Officer on duty a 48-hour notice of your intentions to shoot. The on-duty Range Officer has the authority to close the range due to safety concerns or inclement weather. Special arrangements can be made by appointment.**

## Foreclosure Sales

This will be voted on at the December Board of Trustees Meeting

It has come to our attention that some financial institutions are by-passing the traditional Sheriff Sale and holding online auctions of properties in foreclosure actions. In order for the following rule to apply in all applicable sales, we are removing the references to "sheriff."

### **26. FORECLOSURE AND DEEDS IN LIEU THEREOF**

In the event of a foreclosure action against a property in Hide-A- Way Hills Club, the property owner, and any guests thereof, shall be deemed to be not in good standing and shall forfeit all privileges of membership (or guest privileges, if applicable) at Hide-A- Way Hills Club.

If an Entry Confirming Sale has been filed with the Clerk of Courts having jurisdiction over the foreclosure action, the General Manager may notify the occupant that they shall have seven (7) calendar days from the date of said notice to remove all personal property and vacate the premises, irrespective of any longer time provided by the Entry Confirming Sale. Said notification shall be by Certified Mail and by personal delivery, or by posting the notice on the property by Hide-A-Way Hills Security. Also within seven (7) calendar days from the date of said notice, the owner shall return all key cards and gate openers to the Club. Membership and guest privileges are terminated on the date of the ~~sheriff~~ sale or on the date of execution by the property owner of a deed in lieu of foreclosure.

The purchaser at ~~sheriff~~ sale is responsible for all assessments, costs, charges, and for compliance with the Deed Restrictions, Code of Regulations, and Rules of Hide-A-Way Hills Club as of the date of the ~~sheriff~~ sale regardless of when the sale is confirmed or when the deed is recorded. If the sale is vacated or not confirmed, membership shall revert to the property owner who shall be responsible for any and all assessments, legal fees and costs owed until such time as a new ~~sheriff~~ sale occurs, a deed in lieu of foreclosure is executed, or the property is otherwise transferred in accordance with these Rules and the Code of Regulations. Nothing herein relieves the member of liability for any sums due to Hide-A-Way Hills Club.

The grantee of a deed in lieu is jointly and severally (with the grantor thereof) responsible for all assessments, costs, charges, and for compliance with the Deed Restrictions, Code of Regulations, and Rules of Hide-A-Way Hills Club attributable to the property described in said deed in lieu, to the extent such assessments, costs and charges arose prior to the execution of said deed in lieu. In addition, such grantee shall be responsible for each of the foregoing subsequent to the execution of said deed in lieu.

## **Proposed Changes to the Hide-A-Ways Hills Club Building Code**

This is a LOW-IMPACT workout (no jumping or bouncing required) perfect for the beginner or the advanced exerciser that will help you build strength, increase flexibility and lose weight -- all while having a great time doing it!

Yoga mat and water (towel if you wish) are all that is needed.  
**CLASS IS FREE!!!**

If you have questions or want more information, please call Tracy @ 740-215-0444 or email [tracyop1965@gmail.com](mailto:tracyop1965@gmail.com)

## Congratulations!!!

The Golf Committee would like to congratulate our committee chairwoman, Karen McNabb, on becoming the winner of the 2019 Golden Putter Award!

The Golden Putter Award was started in 1990 as a way for the Golf Committee to publicly recognize the efforts of any member who has gone above and beyond in service to our course, our committee, or our community. Karen has certainly gone way above and beyond for all three of those over her many years of service on the Golf Committee and now as its fearless leader.

Thank you for everything you do Karen!

-Your Golf Committee

### Reader's Forum

(This letter was received by General Manager Randy Swetnam and he, in turn, thought it was important to put in the Echo)

We wanted to recognize three outstanding Guards for their actions during Bob's recent accident.

Randall helped Bob with his injuries and got him and his golf cart to the front guard shack. He, John and Cash helped clean his injuries, inspected him for possible head injuries, contacted me and gave me information helpful to relay to the hospital.

They were so kind and concerned for his well being. We are lucky to have all three men and we wanted them and you to know how much we appreciated their concerns and help. They are a real asset to our Hills.

Linda and Bob Mt Joy

## Hide-A-Way Hills Club Board of Trustees Meeting

November 19, 2019  
(Unapproved)

**CALL TO ORDER:** The meeting was called to order at 7:00 p.m. by President, Jim Krygier. In attendance: Jim Krygier, Mary Beth Fisher, Annie Kerregan, Jim Lloyd, Linda Lonsinger, Scott Martin, Tom Mathews, Eric Lapp, Greg Ptacin, Tim Waibel, General Manager, Randy Swetnam and Jim Kirk, Management Committee

### **ADOPT AGENDA**

Motion to adopt the agenda by Scott Martin, second by Linda Lonsinger – **Motion Carried**

### **PRESIDENT'S REPORT – Jim Krygier**

We have recently received the sad news of the passing of Rick Byron, a long time HAH Member. Rick served as the Chair of the Utilities Committee and was responsible for negotiating the cell tower and cable services contracts for Hide-A-Way Hills. Rick was a first rate colleague and we will miss him.

One item that is especially concerning to me is the reduced patronage of our Lodge restaurant. Revenue has dropped significantly from last year and as a result has required more subsidies. We have appointed an Advisory Committee to assist the Management Committee and Food Services staff. Several changes have been made such as changing the schedule and revising the menu. I encourage folks to please consider patronizing our Lodge as it a great place to meet your neighbors and share fellowship. Our people are committed to making your experience pleasant and enjoyable.

The holiday season is fast upon us. Please mark your calendars for the always fun Holiday Home Tour, good times are had by all. The Social Committee has it scheduled for December 14 and it is one of the most popular events of the holiday season in the Hills.

### **MANAGEMENT COMMITTEE REPORT – Jim Kirk**

#### Lodge/Clubhouse Update:

October sales were \$1,600 less than prior month and October's expenses were \$4,300 less than prior month resulting in a loss of \$17,094.

Food Service Committee has met 4 times resulting in a new menu with updated pricing that started today. Also, event planning is starting to take shape with a 90 day rolling calendar that will include both the Lodge and the Clubhouse. Trivia Night will be back!

Clubhouse had a slight down turn in sales compared to prior month with expenses being up about the same resulting in a loss of \$4,872.

Arrangements have been made for Hocking County EMS to do the First Aid and AED update training for all of our security guards at no charge. AED unit will now be carried in the Security Vehicle.

The issues with Sugar Grove Post Office have been ironed out and proper addressing for mail and package delivery has been communicated. This was almost a month ago and all seems to be going well. The USPS shipped in another bank of lockers which have been installed.
