President's Report

Spring is finally here. Pontoon boats have been launched. Outdoor activities are ramping up. Get ready for another great summer in HAH. A couple of things to keep in mind are:

ODNR has designated that we are under a burn ban from 6 am to 6 pm during the months of March, April, May, October and November. This includes all open fires. In HAH any fire not in a chimney or screen covered burning device needs a permit.

Members cannot call in guests if the member is not in HAH. Guests must be accompanied by a member when at any HAH amenity.

Thank you to the many volunteers that aided the Lakes Committee in the pontoon launch. Thanks also to the Long Range Planning Committee for the water and septic seminar held recently. A recap is elsewhere in this Echo.

A lot of North Park is newly seeded for grass. Please stay off those areas. The Park can be a great place to fish, especially with kids.

Speed humps are being installed. If you see a speeder let Security know even if you don't have a license plate number.

A proposed assessment increase is described on Page 2. The Board and Management Committee ask that you consider the facts, which will be presented beginning in May and at meetings, before deciding if you agree. Members will be asked to vote on the proposal at the Annual Meeting on

August 19. Informational meeting dates will be announced soon.

Lodge No Smoking Area

Complaints have come up again about being greeted by multiple people standing or sitting on the benches outside the front door smoking. People do not like to walk through cigarette smoke to enter The Lodge.

It is our hope that smokers realize that in this day and age it's just not a good look for our restaurant.

Effective June 1st, the Lodge employees, following the instructions of the Management Committee, will begin asking smokers to stay outside the area marked by the no smoking sign.

Failure to follow the instructions will result in the need to take stronger measures to gain compliance up to and including being asked to leave or worse yet fines.

Smoking under the deck will also be prohibited, since the smoke rises up where people are dining.

We realize this is an unwelcome enforcement for smokers, but hope they understand that the smell of smoking is very unwelcome for non-

smokers. We hope smokers will comply now, but are delaying enforcement to give notice and avoid ill feelings toward the Lodge employees.

Management would consider a designated smoking area that is not an unsightly addition to the front to the lodge. MC Chair, Jim Kirk, has been tasked with gathering suggestions. However, there are no funds currently allocated for anything other than the current configuration. Please respect Jim's enjoyment of the Lodge; call or email him with any ideas.

Proposed Assessment Increase

The Hide-A-Way Hills Board and the Management Committee have spent significant time this year examining the Club's current resources, budgets, and budgeted reserves in light of critical improvements needed to maintain the quality of our community. Per Club rules, the current monthly assessment paid by members is adjusted annually based on Consumer Price Index (CPI-W). However, the assessment is not keeping pace with the costs that must be incurred to address road conditions, replace large equipment, and to repair facilities that are deteriorating.

For example, the deepening gullies alongside many of our roads are also widening and cannot be fixed via routine chip and seal applications; they require more involved and much more costly solutions. To complicate matters further, our large service vehicles and equipment must be replaced from time to time as they are used heavily for roads maintenance, snow removal, and other critical work. One of our four dump trucks was replaced seven years ago at a cost of \$95,000. Road needs are only a part of the issue.

Keeping employee compensation competitive, insurance, and many other costs are going up.

As a result of these and other needs, the HAH Board agreed unanimously on April 17 that it must propose an increase in our monthly assessment at the August Annual Membership Meeting. If approved by two-thirds of the membership voting, the monthly assessment would increase from \$164.69 to \$180.00. That will not change the CPI adjustment.

In May, members will be provided with details that describe the proposal in greater detail. In addition, informational meetings will be held in May, June and July to explain the proposal and get further member input.

Parker Team Tips: Spring Makeover or What to do Before You List: Pt. 3

Give each room a purpose. That spare room you've been using as an office /guest room/dumping ground won't help sell your home unless you show buyers how they can use it themselves. So pick a use & clearly stage the space to showcase its purpose!

Do a faux "renovation." Little tweaks can make a big difference in the overall feel of a room. Kitchen a bit outdated? Replace the fixtures, faucets & handles. Family room furniture beaten up? Throw some slipcovers over them.

Tackle that honey-do list. All those little things you've been meaning to do but never got around to will be noticed by Buyers! Plus, they'll detract from the value of your home. So set aside a weekend to tighten those loose doorknobs, fix that leaky faucet and paint over the scuff marks from when you first moved in your sofa.

NEIGHBORS HELPING NEIGHBORS IN NEED (N3)

In 2016, Donna Kalis, in partnership with the Chapel Committee, created N3, (Neighbors Helping Neighbors in Need). Today N3 consists of nearly 100 volunteers and thanks to Donna's vision and creation of this committee numerous individuals and families in HAH have been supported.

A **HUGE THANK YOU** to Donna for all she has done for our community. You and Al will truly be missed, we wish you the best of luck and hope you come back to visit.

If you would be willing to help out a HAH member who needs help temporarily due to health/physical concerns or in an emergency situation, please contact us. We will add you to the email list of volunteers and will contact you by group email with information when a specific need arises. Names of those in need will not be sent out via email.

If you receive a request, reply to the contact person only if you are available and willing to help with that specific situation. We encourage volunteers to work in pairs or groups and to avoid providing personal hands-on assistance.

If you know of a member in Hide-A-Way Hills with a need, please contact the Chapel Committee or the Hide-A-Way Hills office. The purpose of this group is to connect those in need with volunteers willing to help.

ORV Work Party and Youth Safety Meeting

On Saturday May 19, 2019 from 9 am until 12 pm, the ORV committee will be having a work party down at the track area.
We will be hanging banners and performing general clean up on the ORV track area.

Come on down and lend a hand, meet the ORV committee and see what the committee has to offer for riders of atv's, dirt
bikes and side by side vehicles. We will be taking tours of the track and woods trails (depending on trail conditions) in side by side
vehicles for those that are interested.

As per the HAH Club Rules, youth operators are required to attend an annual ORV rules meeting. We will have the first
of such rules meetings at noon at the track shelter house. Please plan on both the member (parent or grandparent) and the underage
ORV operators attending the meeting.

For questions, contact Jim Sigafoose @ 937-707-9501 or Chas Cross at 614-278-3860.

~ATTENTION MEMBERS~

Due to over seeding and wet conditions at the North Park,
we request that you

Green Thumbs & Dirty Hands Invited

Your HAH Adopt An Area
Garden Team has met to start
planning for our upcoming spring,
summer and autumn seasons at
our front gate, by the Lodge and
the Borah Hill gate. We'll have garden
prep-days, planting
days, on-going
maintenance for our
colorful perennial
and annual flowers,
watering needs, trimming, etc.

Many of you have
beautiful gardens at your homes.
Perhaps you have some spare time
and would like to join our team,
whether for special project days or
to help with on-going care for our
gardens. We welcome any and all
plant lovers. This includes Master
Gardeners who have emerald
green thumbs, people who simply
like to play in the dirt, those who
like the peace and quiet of water-
ing flowers and bushes in the early
morning or at dusk, etc.

If you are infected with an
affection for flowers and dirt,
please contact Roy Smoot at 614-
915-2385 or rjismoot@aol.com.
We'd love to have you join our band
of garden groupies.

Chapel in the Pines

Summer services start on
June 3rd! Come enjoy a mix of
contemporary and traditional at
each service in this beautiful set-
ting!

We hope to have a new per-
gola built to help break up the sun
just in time as well!

These services are non-
denominational and all are wel-
come!

We meet in the Great
Room on rainy days too!

The Chapel Committee needs a few more volunteers for the summer season!

Some of the things we need
help with are: blowing/sweeping
areas prior to the Sunday service,
wiping off benches, setting up the
sound equipment, reading at ser-
vices or helping with the collection
or communion.

If you can help at some or
all of the services, please contact
Lisa Jones: drlisajonz@gmail.com
or 614-266-0783.

Thank you!

HAH COMMUNITY AUCTION

SATURDAY, June 9
starting at 11:00 a.m.
(Stay tuned for exact location)
OPEN TO THE PUBLIC

The Social Committee is again asking for good, reusable items for this annual fund raising event.

We have arranged times to drop off items at the old Panaccia Realty Building/future home of the HAH Health & Wellness Fitness Facility, which is across Hide-A-Way Hills Road from Security.

EVERY Saturday starting on May 5 and up until the Auction June 9, Social Committee members will be accepting your donations from 10 a.m. to 1 p.m.

We will also be offering help with your heavier donations and have two organized pick-up dates.

The only pick-up dates will be

May 19 and June 2 starting at 10 a.m.

Please contact Mike Burnside at 614-323-9648 to get scheduled for pick-up your heavy items.

If you would like to make arrangements to meet at the storage unit during weekdays to drop off items, please contact Dale Lamp 614-570-1523, Susan Lamp 614-562-9459 or DD Parker 614-477-6206

The community dumpster is coming June 11. Your donations are a great way to keep good, reusable items out of a landfill and help fund the Social Committee's Amphitheater Concert Series.

Thanks in advance to all who support and make this a successful event!

GOLFERS – Join us on Saturday, May 12, 2018 for our Annual Memorial Tournament!

This year we are honoring Don Wallace and Hedy Rose. Don and Hedy were both long-time members of HAH, supporting our events and leagues. **EVERYONE IS WELCOME** to join us at 8:45 a.m. at the pavilion for a brief memorial and dedication to these two very special members before play.

Format for the day: 18-hole scramble; fee \$25; teams to be drawn that morning. The Clubhouse will be offering a special “grab and go” lunch for everyone at the turn.

Let’s get this season started!!!

SHOOT-OUT MEMORIAL DAY – The Shoot Out has been moved to May 28th, 2018.

Join everyone at the clubhouse at noon to sign-up. Cost is only \$5.00. The Clubhouse will be offering a special lunch that day!

HIDE-A-WAY HILLS CLUB
ORV RULES AS OF 03/25/2017

VEHICLES

14. Notwithstanding the above numbered Vehicle Rules, and the Off Road Vehicle Rules that apply to the designated ORV track and trails, the following shall apply to all Off-Road-Vehicle (ORV) operators under the age of 16 when using Hide-A-Way Hills roadways. "ORV" shall include, but not necessarily be limited to any ATV, Utility Vehicle, Side-By-Side, Go-Kart, Dirt Bike or Golf Cart. It shall not include cars, vans, trucks and SUV's.
 - A. All ORV operators under the age of 16 and their parent(s) must attend a HAH ORV Rules Meeting sponsored by the ORV Committee.
 - B. No ORV may be operated by a person under the age of 12 without a parent or responsible adult present.
 - C. Such ORV operators must understand and comply with the vehicle manufacturer's recommendations for safe operation and ensure that the maximum number of passengers does not exceed the number of seats in the vehicle.
 - D. In addition, helmets must be worn by all such operators and riders of an ATV, Go-Kart or Dirt Bike. Seat Belts must be worn by all such operators and riders in vehicles where they are supplied. Go-Karts and other low-profile ORVs less than 4 feet from the ground must display a flag extending vertically at least 4 feet.
 - E. The parents of all under-age ORV operators must read and sign the "Parental Consent and Release" form acknowledging the inherent risk associated with operating an ORV, and attesting that they and their child understand and will comply with all HAH rules.
 - F. Upon confirmed attendance at an aforementioned ORV Committee sponsored meeting, and completion of the "Parental Consent and Release" form, a sticker will be issued for display on any ORV to be used by an under-age operator. No ORV shall be operated by an under-age driver on HAH roadways without such a sticker clearly displayed. Violations of these rules are subject to the Schedule of Fines section of the Hide-A-Way Hills Club Rules.

OFF-ROAD VEHICLE (ORV) RULES

The following rules cover use of the Hide-A-Way Hills ORV track and trail area. All existing Hide-A-Way Hills Club rules also apply.

1. The use of the ORV track and trail area is restricted to Hide-A-Way Hills members and guests on member owned ORVs. Social guests must be accompanied by the member.
2. Please enter the ORV track from the posted entrance point.
3. The ORV track is one-way only—counterclockwise. Do NOT go clockwise or cut the track.
4. When riding the trails through the woods, do not cross the signs marking the shooting range.
5. The ORV Committee strongly recommends that a certified helmet be worn by all riders.
6. The ORV Committee strongly recommends that participants riding in side-by-side UTV's fasten their seat belts.
7. Due to the possibility of an accident requiring a call for medical assistance or other help, the ORV Committee strongly recommends that riders not be alone on the track or trails.
8. Riders are prohibited from using the ORV track or trail area while impaired by the use of alcohol or drugs.
9. Ride at your own risk, and take care to not exceed your ability to control your vehicle.

The ORV Committee strongly recommends that riders 12 and under be accompanied by a parent or adult. The parent or adult should be at the track but does not have to ride.

NEWS FROM THE RANGE

May 2018

Hopefully, when you read this, Mother Nature has blessed us with warm weather, the long-awaited opening of the Lake of Four Seasons and the pontoon launch has taken place; and, hopefully, we can get out and enjoy the sunshine.

The range can accommodate pistol shooters at distances from 25 feet to 50 yards, rifle shooters, under .50 calibers, can choose to shoot from 25 to 100 yards. We even have a trap shooting range for those who enjoy the immediate satisfaction of knowing when you hit your target. **Important reminder**, if you have indulged in adult beverages prior to coming to the Range, we cannot allow you to shoot so for obvious reasons, you might be better off going fishing.

Take time to educate your kids about guns, teach them to fear what a gun can do in the hands of an irresponsible person NOT to fear all guns. If you need assistance, let a range committee member assist you.

Hours of operation are from 9 A.M. to Sunset on Saturdays and Sundays from 12 P.M. to sunset. **Please be courteous and give the Range Officer on-duty a 48-hour notice of your intentions to shoot. The on-duty Range Officer has the authority to close the range due to safety concerns or inclement weather.** The Range Officer Duty Schedule is listed below for your convenience.

Well & Septic Workshop

Thank you to the Long Range Planning Committee for inviting both the Hocking and Fairfield County Health Departments for an hour-long informational program pertaining to our wells and septic systems. Below are a few tips:

- ◆ You can call your local health department if you experience problems or if there are any signs of system failure.
- ◆ Divert sources of water, like roof drains, footer drains and sump pumps away from the system.
- ◆ Do not allow anyone to drive or park anything over your septic system.
- ◆ Don't use septic additives. They usually do not help and can be harmful to the operation of your system.
- ◆ Eliminate or reduce the use of a garbage disposal.
- ◆ Don't use your toilet or disposal as a trash can.
- ◆ Never pour chemicals or cleaners such as paint, varnish, thinners or pesticides down the drain/toilet.

For more information you can contact Hocking County at www.hockingcountyhealthdepartment.com
and Fairfield County at www.myfdh.org.

Do's and Don'ts

Your sewage treatment system is designed to collect waste water from the home and treat the microbes contained in the effluent while also disposing of the water. Care and maintenance of your system is extremely important for maximizing the life of the system and protecting the environment.

DON'T FLUSH

Septic tank additives
Rubber products
Sanitary napkins
Mop strings
Scouring pads
Cigarette butts
Dental floss

Towels or Plastic
Grease or Motor oil
Lint or Hair
Diapers
Condoms
Sand
Pesticides

Coffee grounds
Paints & Thinners
Gas or Kerosene
Floor waxes
Strong cleaners
Cat litter

DO

- DO repair any leaking faucets and toilets.
- DO conserve water to reduce the amount of wastewater that must be treated and disposed.
- DO space laundry throughout the week to prevent overloading the treatment system.
- DO have the tank pumped every 3-5 years by a licensed sewage hauler (lists available at health dept.).
- DO call a professional or the health department when you have problems.
- DO alternate use of your leach fields every six months, if present.
- DO replace aerator motor with same make and model that came with system.
- DO inspect and clean aerator motor on a monthly basis to remove hair and lint from aspirator shaft.
- DO clean effluent filter at outlet of tank, if present.

DON'T

- DON'T dig in or build over your leach field.
- DON'T discharge basement sump pumps or outdoor drains (roof or driveway) into the sewage treatment system. Excess water can overload the system.
- DON'T plant root vegetables in the drainfield.
- DON'T plant trees or woody shrubbery over or near the leach field as the roots may plug the lines.
- DON'T compact the soil or drive over the fields with cars, trucks, farm machinery, or heavy equipment.
- DON'T cover the leach fields with hard surfaces such as concrete or asphalt. Grass is the best cover as it will help prevent erosion and help remove excess water.

Burn Policy in HAH

On page 2 of the Hide-A-Way Hills Club Rules is the following:

BURNING WITHIN HIDE-A-WAY HILLS BOUNDARIES

a. Chimneas or other screen-covered burning devices are permitted; however, OPEN fires must be contained in a fire pit, not to exceed three (3) feet in diameter, be carefully supervised and fully extinguished before leaving such activity. OPEN fires must be approved by the Club office.

b. All other open burning is prohibited.

The statement "approved by the Club office" means you must get a written letter from them stating that you can have a fire on the dates stated on the letter. When you call the office to request a permit, you can pick the letter up at the office, have it mailed (if there is time to receive it before you want the have the open fire), or it can be picked up at Security.

Board of Trustees Meeting
April 17, 2018
(Unapproved)**

CALL TO ORDER: The meeting was called to order at 7:00 p.m. by President, Greg Ptacin. In attendance: Eric Lapp, Greg Ptacin, Linda Lonsinger, Tom Mathews, Jim Lloyd, Dwain Mickey, Frits Rizor, Valerie Barker, General Manager Randy Swetnam and Management Committee, Jim Kirk. **Excused:** Dave Miller, Jim Krygier.

Motion to change the agenda by moving the Air Strip discussion to after the President's Report by Eric Lapp, 2nd by Dwain Mickey – **Motion Carried**

ADOPT AGENDA

Motion to adopt the agenda made by Eric Lapp; second by Dwain Mickey – **Motion Carried**

PRESIDENT'S REPORT – Greg Ptacin

Two following rules are often misunderstood.

- ODNR has designated that we are under a burn ban from 6 am to 6 pm during the months of March, April, May, October and November. This includes all open fire permits. You still need a HAH permit for open burning at all times.
- Members cannot call in guests if the member is not in HAH. Guests must be accompanied by a member when at any HAH amenity.

A lot of North Park is newly seeded for grass. Please stay off those areas. The Park can be a great place to fish, especially with kids.

Speed humps are being stalled. If you see a speeder let security know even if you don't have a license plate number.

AIR STRIP DISCUSSION

Jim Lloyd started a discussion about the why the airport is important to HAH. He stated the cost is around \$3000 a year to maintain. This includes insurance, maintenance (62 hours per year) and fuel costs. Grass can be about six inches for planes to land safely according to members. Jim stated it should be kept open because it is on the air craft charts as a restricted airport, but can be used for emergency landing. It is the only airport in Hocking County. It's used by Med-Flight in life threatening situations. We're the only lakes community that has an airport out of 24 Ohio lake communities.

Radio Controlled flying is done at the air strip and this is the only place that it is allowed. It is a very important amenity. If we take this airstrip down and want to reinstall it later, the federal government controls it and could hinder this significantly. It will be referred back to management committee. Multiple board members spoke in support of keeping in the airport.

CORRESPONDENCE –Eric Lapp

None.

CONSIDER MINUTES – March 20, 2018

Motion to approve the minutes was made by Linda Lonsinger; second by Frits Rizor – **Motion Carried**

TREASURER'S REPORT – Tom Mathews

Total Committee funds in the Vinton County National Bank on March 31, 2018 were \$100,191.23. Motion to approve made by Tom Mathews; second by Linda Lonsinger– **Motion Carried**

Greg Ptacin explained the new financials format. The format was designed to make it easier to understand our operating budget. There was a discussion about all the reports and how many of our accounts were not being funded properly. Next month we'll go over the balance sheet. Randy discussed the CD's that we have at this moment.

MANAGEMENT COMMITTEE REPORT – Jim Kirk

The new database is still slated to be finished by middle of May. We did cash a Money Market certificate and paid into a couple of amenities funds that were still owed. We've been working on how to address the roads and fixing them up. Problems with culverts are being addressed. We're comparing options for permanent repairing of ditches, including an estimate for total cost to repair. Management committee recommended to the board for an assessment increase somewhere between 10-15% increase. The new security building has been pushed back by six months. Mowing of the airstrip will be discussed at the next management meeting. They were just trying to lower the budget.

GENERAL MANAGER'S REPORT – Randy Swetnam

Delinquency total as of 3/15/18 \$35,208 as of 4/15/18 \$34,269; Roads as of 3/15/18 \$2790 as of 4/15/18 \$3010; Dam Assessment account as of 04/17/18 is of \$395,749 with the interest earned.

Management has put together a depreciation list and we purchased a zero turn mower with it. We've also received the golf carts for the golf course to rent. We're narrowing our search of an electrician for installing the pizza ovens. They are three phase and this is an area maintenance isn't comfortable completing. We've got one more estimate coming in. This should be completed (hopefully) in the next two weeks.

This years' Ohio Lakes Community Association Spring Meeting is at Lake Cinnamon May 23rd & 24th in Ashland County. This is a very informative meeting. Registration will be available by the end of the month. Maintenance has been working on the dock boards and replacing the ones needed. The ice and wind has been slowing down the progress. Randy discussed what goes into the New Member packets. If we eliminate the code and rules from this packet, it would save over \$1.50 per packet in postage alone. It would also save on paper. Discussion followed about different ways to handle this. Emailing with a PDF was suggested.

Another money saving item is to go paperless with the ECHO since it is posted to our web site. Last year, we lost \$926 on the ECHO between the cost of printing and postage. The only income from the ECHO is the advertisers. We could give the members the option to receive it online only. We could just lower the cost by printing fewer. We could ask the new members to send an acknowledgment of receiving the rules so we'd have a sign off. Board then decided to let the members know that they had the option to stop getting the paper copies of the ECHO after discussion.

Motion to eliminate printing the rules and the code for new members – Dwain Mickey 1st, Tom Mathews 2nd – **Motion Carried**

NEW BUSINESS

Greg Ptacin talked about considering an assessment increase. Management Committee has already discussed this and would like a 10% (roughly \$16 more a month) or 15% (roughly \$24 more a month) increase. Board members discussed this. New members have mentioned they are surprised at how low our monthly assessments are considering how many amenities we have. We have to get 66 2/3 votes on this to do it. The increase would set the new level of the assessment and that new level would then be increased by the inflation index every year. Reasons for the increase include: The depreciation list is going to be higher next year. Maintenance has been patiently waiting for a restroom for years; the new guard shack is getting put off. Insurance costs have also risen faster than inflation. An E-vote will go out on Friday so that the board members have time to look at the numbers.
